

Newsletter January 2008

The RLICC Staff members are proud to present a first try-out version of the RLICC NewsLetter in a simple pdf-format, with a layout kept purposely low-key. We hope to receive constructive criticism on its contents, structure and presentation, so as to fine-tune this NewsLetter and hopefully arrive at a more definitive form. All comments and suggestions can be addressed to rlicc@asro.kuleuven.be . We specifically would like contributions to the PastAndFuture and AlumniSpeak sections.

Best Wishes for 2008 from all of us.

Prof. Dr. Koen Van Balen, Coordinator
Prof. Dr. Krista De Jonge, Permanent Education Commission
